

Dauphin County Home Rehabilitation Program

The County of Dauphin has allocated funds from the HOME program to a county-wide housing rehabilitation program. Grants of up to \$20,000 will be offered to income eligible homeowners in the County of Dauphin OUTSIDE the City of Harrisburg. The grant funds will be used to bring the property up to standards that would correct any existing deficiencies or hazards and make it a decent, safe and sanitary place to live.

The housing rehabilitation program is funded through the HOME Investment Partnership Program from the Department of Housing and Urban Development. If you would like further information about the Dauphin County Home Rehabilitation Program, please call Debra Laudenslager at 717-780-6256.
