

Snow Emergency Driving Restrictions.

During such emergency, it shall be unlawful for any person to park, or to permit to remain parked, on any street named below any type of motor vehicle, boat trailer, camper, recreational vehicle or any trailer used for the purpose of hauling motor vehicle or other items, with respect to the north side of east-west streets or with respect to the east side of north-south streets, unless otherwise indicated. However, upon complete removal of all snow from the total parking area, on such side of the street in front of any property, parking will at once become again permissible, so long as there is no interference with the snow removal program of the Borough and no interference with traffic during the remainder of such emergency.
