

Redistricting Hearings to Conclude This Month

The House State Government Committee will hold a half dozen hearings over the next three weeks to conclude its work to ensure transparency in this year's congressional redistricting process.

Hearings are scheduled in Wellsboro, Tioga County, and York, York County, on Tuesday and Wednesday next week. The committee will be in Kingston, Luzerne County, on Monday, Oct. 18; Spinnerstown, Bucks County, on Tuesday, Oct. 19; and Philadelphia on Wednesday, Oct. 20. The final hearing is set for Thursday, Oct. 28, at the state Capitol.

Citizens interested in offering testimony can do so in writing through Oct. 13. The deadline to testify in person for next week's hearings has passed; however, people can register to testify for the hearings the following week through Oct. 13 as well.

Details about the hearings and how to offer testimony, along with video of past hearings and other resources, is available at www.PARedistricting.com.
