

**New Middletown Train Station opening on Monday, January 10, 2022! (As of that date trains will no longer stop at the old station location.)**

The new Station is located on West Emaus Street at West Main Street (Route 230). This state of the art complex includes:

A central high-level (accessible) platform; A pedestrian overpass to the platform; Elevator and stair towers; ADA Accessible ramps; On-site parking; and dedicated bus loading zones.
