**PLANS & CONCEPTS**

Sketch or Plot Plan: Two (2) copies indicating desired service location are required.

Attached    Sent Separately

The applicant and/or contractor shall supply the Borough with construction documents for the proposed work prior to the start of construction. A meter location will be given by the Borough after application for service is made. All work must comply with the Borough Ordinance and must be inspected by an approved inspection agency before service will be connected.

**NOTE: A branch circuit diagram shall be required.**

**APPLICANT SIGNATURE**

I hereby certify that the information on the above application is true and accurate to the best of my knowledge, and that I have been authorized by the owner of record to make this application. I understand once payment submitted, no refunds will be given.
