Important Information – Please Read

- I understand that it is the owner's responsibility to verify that service has been terminated. The Borough of Middletown is not responsible for damages or charges if service termination is not accomplished.
- I understand that any prior charges must be paid and that penalty and interest will accrue on any unpaid charges.
- I understand that, after service is terminated, service will not be restored unless the Owner or Owner's Authorized Agent is physically present at the time of service restoration.
- I understand that state law permits utilities to limit their liability for injury or damages related to the interruption or cessation of utility service (Pa Code 52 § 69.87).

The undersigned Owner or Authorized Agent on behalf of the property owner hereby releases The Borough of Middletown, including its offices, employees and agents from any and all liability related to the termination of service, the failure to terminate service or the restoration of service at the address shown above.
