General Contractor			
Design Professional			
Permit Applicant			
Contact Person's Email			

Applicant's Certification: As the owner or the authorized agent of the project for which this application is filed, I certify that:

1. The description of use, estimated construction cost and all other information provided as part of this application for a building permit is current.
2. The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from Middletown Borough.
3. This project will be constructed in accordance with the approved drawings and specifications (including any required non-design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401-415.
4. Any changes to the approved documents will be filed with the Borough Code Department.
5. If the licensed architect or engineer in charge of this construction should change, written notice of the change will be provided to the Borough Building Code Official. No refunds given once paid.
6. No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in the 34 PA Code Chapters 401-405.
7. If signed by someone other than the construction owner, this work has been authorized by the owner of record, and I have been authorized by the owner to complete this application on his/her behalf. I will be acting on behalf of the owner as:

SAMPLE PLOT PLAN

West Emaus Street

Proposed Construction _____ sq ft Sidewalks/Patio _____ sq ft
 Existing Structures _____ sq ft Total Coverage _____ sq ft
 Driveway _____ sq ft Lot Size _____ sq ft

Greater than 1000 sq ft of disturbance requires a stormwater management permit.

****Property in Floodplain must include Floodplain Permit Application**

Plot Plan includes the following: accurate property lines, lot size dimensions, location of any easements/right of ways, labeling and noting square footage of all impervious area (i.e. driveways, private sidewalks, patios/decks, structure(s)-home/sheds/pool, etc.). A survey of your property is recommended and may be necessary for compliance.
